sere his real purposes, but his ostensible is carefully worded. It proposes no raising riff principles? which we extract the following.

peressary to cure the disordered condition of the finances, dependent now solely upon allections under a law against which a proest was entered on every payment; and as tion, which he looked upon as counteralancing the injustice of the bill in its proective features, which he pronounced injuasses of his State, and only partially ad- The demand is for protective duties, for try sinks. antageous to the Manufacturing classes."

If these reasons are true Silas Wright gainst every thing which comes in compestill a deadly enemy to protection. If tition with domestic industry. This is the hey are false, and designed to conciliate old American system, which, for ten years e south, he would as surely again sacrifice north as his ambition demanded the vic-

## What a cold blooded imposition!

For this one solitary vote for the tariff during its progress with multitudes against it, and evidently extorted from him from fear of the displeasure of tures of the bill, Silas Wright is at once to sainted as a protectionist. His canoniration is now geing on at a moment, auspicious to his partylin Vermont. Our devous vote for no bill which has protection for its admiration is challenged on the ground of object, and only for a tariff for revenue. Let it be borne in mind. in yonder college, and has oft bathed his depend upon chance? Shall the protective dollars remaining in the Treasury on the first of January 1837 should be deposited with the States quarterly in 1837. But as affable and gentlemanly as he is, in the government in raising revenue to support themselves, while the people are sink. Let it be borne in mind.

Proud Vermont, ever bows to principle-never to men.

## Farmers!

When you are called upon to place your confidence in Siles Wright

Remember,

that he has pronounced the protective features of the tariff bill unjust, and injurious

... blic interest, and that he has done his power to lessen their efficiency .wars has he been the notorious supporteror free trade doctrines, and at last yieldel his vote for the present tariff with a protest against that very feature which renders it valuable. And again BEWARE of the ABOMNIABLE DECEPTION that is new playing off among us, that the tariff bill as carried through by the Loco party, only FOUR of whom voted for it in the Senate, and TWENTY in the House, while the mass of the whigs in both houses voted for its progress in spite of the deadly hostility of Silas Wright, and the almost unanimous strength of the whole loco party.

tal to revenue ?"

of itself."

COMMENTS UPON MR. BARBER'S But the people of Vermont too well un- paid. COMMUNICATION.

misrepresented him on the subject of pro. popular displeasure. tection. We urged that his course in the his party in New Hampshire, immediately before the public, and your attempts to e- ment, vade the censure cast upon it, by getting up wool conventions very recently, when Let it be borne in mind.

That instead of encouraging domestic industry it depresses it-instead of protection it brings destruction."

locofocos copied:
